

WORLD OF RADIO #1009, produced Oct. 25, 1999 by Glenn Hauser

- \*Time and frequency changes coming Oct. 31 with end of DST, start of B-99 season
- \*World of Radio on World Radio Network: see <http://www.wrn.org>
- \*On RFPI we stay at same UT, but seem one hour earlier by local clock; RFPI times: Sat 1800, Sun 2300, Tue 1900, Fri 1930, repeated 8 and 16 hours later on 15049 24h, night 6975, day 21460-USB
- \*WBCQ one hour shift so from Nov our first airing anywhere is Wed 2200 UT on 7415
- \*WOR may well be the only media program broadcast every day of the week on one SW station or another for your convenience; see our sked at <https://www.angelfire.com/ok/worldofradio>
- \*Shortwave listeners need to understand Universal Time as used here, and in the international broadcasting medium; conversion factors from UT during the winter in North America
- \*Dates and days of week must also be expressed in UT terms, so in our evenings it is the next day by UT
- \*The November Continent of Media is on the way to RFPI and <http://www.DXing.com> and should be available by early November; RFPI times: Tue 2000, Wed 1730, Fri 1900, Sat 1730 plus repeats
- \*Summary for Nov COM is on the World of Radio website
- \*Dissent at VOA over pending budget cuts covered on COM, and more here now: language sections may be cut, layoff of some 128 people
- \*Jens Frost, longtime editor of World Radio TV Handbook, died Oct 18 at age of 79; was preparing to attend EDXC Conference; condolences may go to his daughter and son-in-law Sonja Frost & Per Soerensen, Engvaenget 18, DK 2650 Hvidovre, Denmark
- \*His assistant and then successor Andy Sennitt will have more to say on this week's Media Network, and a tribute is on the RN website <http://www.rnw.nl/realradio/features/html/editorial.html>
- \*New English schedule of R. Netherlands, some changes
- \*Deutsche Welle scheduled on one 11 meter band frequency, but another one was mentioned on their DX program
- \*Radio Free London pirate made it to Cape Hatteras on 62 metres
- \*Due to approaching hurricane, Bonaire took over some Antigua BBC
- \*This is the last World of Radio spelling out a common word in Roman Numerals; [wghauser@yahoo.com](mailto:wghauser@yahoo.com) or P O Box 1684, Enid OK 73702 USA; fax if really necessary 1-580-233-2948 attn Hauser
- \*More BBC WS previews for early November: One Europe, Dream or Reality? Play of the Week: Dead White Males; Brain of Britain; My Century; Talking to Home; Paul McCartney's Routes of Rock; Science Extra: Sense and Sensibilities; Performance: Ormandy
- \*R. Caroline heard again via Latvia
- \*<https://www.angelfire.com/wi/worldbandradio> for English broadcasts
- \*R. Slovakia International's new English sked
- \*R. Prague back in mornings to North America; WRMI relay one hour later and down to 7 MHz; some other broadcasts
- \*V. of Greece already retimed English news; expected new frequencies; and has Sunday afternoon music program announced in English

\*V. of Turkey, new sked for English to North America  
\*Final Radio Saint Helena broadcast well heard here (recording)  
\*South Africa seems to be back on 11 meters  
\*Cuban Musical Network on 591.0 kHz  
\*Nov 24 is the date for CIQC to move to 940 in Montreal  
\*R. New Zealand's Mailbox missing; moved one hour earlier  
\*Clandestine V. of Jammu Kashmir Freedom well heard in Japan  
\*Radio Shack discounting DX-399  
\*Outlook for solar cycle peak by mid-2000  
\*Reminder, from Oct 31 many times and frequencies change; WOR one  
hour later on WWCN, WRN, WBCQ by UT; same UT on RFPI  
check <https://www.angelfire.com/ok/worldofradio>  
\*BTW, angelfire will require advertising from Nov 1  
\*Our latest DX report and archive is also at website  
\*Glenn Hauser, here, concluding World of Radio MIX ###
